Ann Clemmer	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Engaging middle school students earlier towards thinking about the occupational benefits of their studies is important. The school seems to have considered all aspects of this.
Dr. Naccaman Williams	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Support the motion. The application supports the current high school charter and address the needs of the community within it's curriculum.
Toyce Newton	<input type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Absent
Sonya Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	This will be a great opportunity to engage students in CTE earlier. I encourage the district to work closely with the state CTE office for PD opportunities for non-licensed CTE subject matter experts.
