## H. L. Frockett Elementary Soard Communications June 2010

Parents of students planning on attending Brockett in the fall are asked to stop in and update contact information before June 17<sup>th</sup>. This year we have the forms for each student preprinted with the information on file in RSCCC. This should save the parents time and help the front office to accurately locate changes that need to be updated in RSCCC.

Welcome to Mrs. Connie Lott! The teachers and staff of Brockett Elementary are eagerly looking forward to working with our new principal.

The "Theme and Vision" for 2010-2011 is.......... "Brockett Elementary.... Where seeds are planted, excellence blooms, and children blossom!" Gardening, planting theme).
