Residence ¹

Resident Students

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law.² A student's residence is the same as the person who has legal custody of the student.³

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.⁴

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.⁵

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military

² In certain cases, no tuition may be charged for nonresident children placed: (1) by the Ill. Dept. of Children and Family Services (DCFS) with a foster parent or child care facility, (2) by DCFS with a foster parent, child care facility, relative caregiver or non-custodial parent, as part of a safety plan (105 ILCS 5/10-20.12b, amended by P.A. 103-629); or (3) with a person who (i) has temporary custody of a child of a person who is on active military duty, and (ii) is responsible for making decisions for that child (105 ILCS 70/).

³ In the case of divorced or divorcing parents, the Ill. Marriage and Dissolution of Marriage Act (IMDMA), 750 ILCS 5/, provides that "for purposes of Section 10-20.12b of the School Code only, the parent with the majority of parenting time is considered to have legal custody." See 750 ILCS 5/606.10. See also the Ill. Council of School Attorneys' *Answers to FAQs Regarding Students with Divorced or Divorcing Parents*, at: www.iasb.com/IASB/media/Documents/FAQDivorcedorDivorcingParents.pdf. The IMDMA also requires a *parenting plan* that sets forth a child's residential address for school enrollment purposes. 750 ILCS 5/602.10(f)(6). **Consult the board attorney when the residential address set forth in a parenting plan is not the address of the parent with the majority of parenting time.**

⁴ 105 ILCS 5/10-20.12b. In order to establish residence, a school district may not require a parent to transfer custody/guardianship to the person with whom the child is living. *Israel S. by Owens v. service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school. ⁶

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition. ⁷

Residence of Students with Disabilities ⁸

The residence of a child with a disability is determined in accordance with 105 ILCS 5/14-1.11, 5/14-1.11a, and 5/14-1.11b.

Requests for Nonresident Student Admission ⁹

Nonresident students may attend District schools upon the approval of a request submitted by the student's parent(s)/guardian(s) for nonresident admission. The Superintendent may approve the request subject to the following: ¹⁰

1. The student will attend on a year-to-year basis. Approval for any one year is not authorization to attend a following year.
2. The student will be accepted only if there is sufficient room.
3. The student's parent(s)/guardian(s) will be charged the maximum amount of tuition as allowed by State law. ¹¹
4. The student's parent(s)/guardian(s) will be responsible for transporting the student to and from school.

⁶ 105 ILCS 5/10-20.12b(a-5).

⁷ 105 ILCS 5/10-22.5a(a-5). Military personnel must provide proof that the child will be living within the district within six months after the date of initial enrollment. Proof of residency may include postmarked mail addressed to the military personnel and sent to an address located within the district, a lease agreement for occupancy of a residence located within the district, or proof of ownership of a residence located within the district.

⁸ When special education services are provided, a student's resident district is determined by 105 ILCS 5/14-1.11 (when the resident district is the district in which the parent/guardian resides), 14-1.11a, amended by P.A. 103-676 (when the resident district is the district in which the student resides), and 14-1.11b (applying the provisions of 105 ILCS 5/14-1.11 and 14-1.11a to determine the resident district in all cases in which special education services and facilities are provided).

⁹ Optional. A district that wants to include this subhead should specify and customize the listed criteria to match local conditions. Consult the board attorney regarding cost exceptions that may be applicable to specific student populations such as students with disabilities.

¹⁰ 105 ILCS 5/10-20.12a(a), amended by P.A.s 103-111 and 103-780, allows boards to adopt a policy to waive nonresident tuition if the student is the child of a district employee. A *child* means a district employee's child who is a biological child, adopted child, foster child, stepchild, or a child for which the employee serves as legal guardian. *Id.* If a board wishes to accept requests from district employees for their nonresident children to attend school in the district on a tuition-free basis, insert the following language as its own paragraph after the numbered list:

For a nonresident student who is the child of a District employee, if the Superintendent approves the request for nonresident admission for the student, the tuition cost is waived pursuant to 105 ILCS 5/10-20.12a(a).

¹¹ 105 ILCS 5/10-20.12a specifies a formula for calculating the maximum amount a district can charge nonresident students.

Admission of Nonresident Students Pursuant to an Agreement or Order ¹²

Nonresident students may attend District schools pursuant to:

1. A written agreement with an adjacent school district to provide for tuition-free attendance by a student of that district, provided both the Superintendent or designee and the adjacent district determine that the student's health and safety will be served by such attendance.
2. A written agreement with cultural exchange organizations and institutions supported by charity to provide for tuition-free attendance by foreign exchange students and nonresident pupils of charitable institutions.
3. According to an intergovernmental agreement, including, but not limited to, an agreement for interdistrict transfer of students who are parents, expectant parents, or victims of domestic or sexual violence under 105 ILCS 5/26A.
4. Whenever any State or federal law or a court order mandates the acceptance of a nonresident student.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required to establish residency.¹³ School Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Challenging a Student's Residence Status ¹⁴

If the Superintendent or designee determines that a student attending school on a tuition-free basis is a nonresident of the District for whom tuition is required to be charged, he or she on behalf of the School Board shall notify the person who enrolled the student of the tuition amount that is due. The notice shall detail the specific reasons why the Board believes that the student is a nonresident of the District¹⁵ and shall be given by certified mail, return receipt requested. The person who enrolled the student may challenge this determination and request a hearing as provided by the School Code, 105 ILCS 5/10-20.12b.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹² The agreement described in #1 is optional (105 ILCS 5/10-22.5a(a)) and districts are not required to enter into such agreements nor to alter existing transportation services due to the attendance of such nonresident students. The agreement described in #2 is optional (105 ILCS 5/10-22.5a(a)); districts should be sure it is consistent with sample policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.

An example of an agreement described in #3 is one to accept nonresident students; entering into such an agreement is optional. Nonresident students may include students who are parents, expectant parents, or victims of domestic or sexual violence under 105 ILCS 5/26A, added by P.A. 102-466, a/k/a *Ensuring Success in School Law*, eff. 7-1-25. Interdistrict transfer is not required by Article 26A, but including language about it in this policy is recommended in the 2024 Ensuring Success in School (ESS) Task Force Report to the Governor and the General Assembly, available here: www.isbe.net/Documents_ESSTaskForce/Final-Report-ESS-Report-June-2024.pdf. For further information about the 2024 ESS Task Force, see f/n 1 in sample policy 7:255, *Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*.

¹³ Required by 105 ILCS 45/ and the McKinney-Vento Homeless Assistance Act, 42 U.S.C. §11431 *et seq.* See §11432 (g)(3)(C)(i).

¹⁴ *Id.* See sample administrative procedure 7:60-AP1, *Challenging a Student's Residence Status*, for sample procedures implementing this paragraph.
