DESCRIPTION:

At the November 9 board workshop, I shared with you an outline of the 2008-2009 *Annual Report on Curriculum, Instruction, and Student Achievement*. The annual report is a required report to the public each fall. The final draft will be shared with you at Monday's meeting for approval. Once approved, the annual report will be posted to the district's website, and notice of the report will be distributed through the next issue of the *Insider*.
