<input type="checkbox"/> Closed/Executive Session	<input type="checkbox"/> Work Session	<input type="checkbox"/> Discussion Only	<input type="checkbox"/> Consent
From: Theresa Servellon, Chief Academic Officer			

Item Title: Student Recognition: Imagine Math Winners

Description: Imagine Math is an adaptive, interactive math program that teaches math skills to student's skill level and helps them practice what they've learned.

The district goal, for students, is to reach 30 successful lessons by the end of the year. We would like to recognize our top (3) students who reached the goal, plus more. These students went above and beyond completing more than 200 math lessons. We would like to recognize these students for their invested time and effort to continue their mathematical learning.

Historical Data: This is the first student recognition for time and effort in Imagine Math.
