

Chamberlin Campus Improvement Plan Summary

2023-2024

Our theme for the 2023-2024 school year is "It's a Great Day to be a Chamberlin Champion". Our decorations are centered around our school colors and school pride.

Our plan focuses on:

- The continued implementation of quality programs as well as implementation of new individualized adaptive programs.
- The continued utilization of our general education behavior teacher, special education behavior teacher and behavior aide to support our students who need additional behavior or social/emotional support.
- The implementation of a new ELAR framework which allows for 60 minutes of uninterrupted, protected Saxon Phonics instruction.
- The continued utilization of our MTSS Math teacher to meet academic needs of students.
