7 **Principals**

8

9 Principals are the chief administrators of their assigned schools. The primary responsibility of Principals  
10 is the development and improvement of instruction. The majority of the Principals’ time shall be spent on  
11 curriculum and staff development through formal and informal activities, establishing clear lines of  
12 communication regarding the school rules, accomplishments, practices, and policies with parents and  
13 teachers. Principals are responsible for management of their staff, maintenance of the facility and  
14 equipment, administration of the educational program, control of the students attending the school,  
15 management of the school’s budget, and communication between the school and the community.  
16 Principals will be evaluated on their instructional leadership ability and their ability to maintain a positive  
17 education and learning environment.
