

## **DISCUSSION OF THE 2021-2022 ECISD CAMPUS IMPROVEMENT PLANS**

Each campus, regardless of rating, is required to build a Campus Improvement Plan annually. This plan serves as the blueprint for how each school will uniquely address the campus-specific needs identified in their Comprehensive Needs Assessment (CNA). The Board is required to approve both District and Campus Improvement Plans every year. The Board approved the District Improvement Plan and the Executive Directors of Leadership used that plan to help principals (and their site-based decision-making team) build campus plans that are aligned to the vision, goals, strategies, and outcomes within it.
