Re: North Creek Board Report
Date: March 9th, 2026

Dear Members of the Chelsea Board of Education,

The month of March has been filled with energy, engagement, and a continued focus on student growth. March Is Reading Month (MIRM) has brought an extra layer of excitement to our building. Our community meeting and MIRM committees joined forces to introduce our theme, Superhero-Super Readers at the community meeting,

We recently hosted our Kindergarten and Young 5s Parent Information Night. We enjoyed connecting with our newest families and introducing them to the North Creek. We are excited to welcome our incoming students and families.

During the week of March 2, CSD celebrated Staff Appreciation Week. It was a wonderful opportunity to recognize and celebrate our entire staff as one team. A special thank you to our PTO for thoughtfully organizing a week that made every staff member feel valued and supported.

Alongside these celebrations, our teachers have hosted Brighton and Grass Lake elementary teachers to observe Collaborative Classroom. A special thank-you to our staff for welcoming them.

Most recently, if you walked down the hallway at North Creek, you would see student self-reflections focused on our POG T2 - Academic Branch. Staff and students focused on being problem solvers, curious, self-directed, and innovative.

We are proud of the work happening in our building and grateful for the partnership we share with the Board of Education and our broader school community.

Sincerely,
Casey Wescott
Principal, North Creek Elementary
