

Tomahawk Elementary Board Update March 21

[Tomahawk Strategic Plan](#)

[March Newsletter 2023](#)

Currently Working On

Teaching and Learning

- **Explicit Instruction**
- We will be continuing our work with Explicit Instruction next school year. As I mentioned at the last board meeting we are determining how the Swivl camera can be used to strengthen instruction overall and be utilized for our continued work with Explicit Instruction

Whole Student

- **-PBIS (Hatchet Pride)**
- We continue to have both Tier 1 and Tier 2 Hatchet Pride meetings. We are striving for consistency throughout the building with our matrixes of expectations being visible throughout all areas of the building and consistency of follow-through.
- During our Tier 2 meetings and throughout the elementary we are utilizing support from CESA 9 Behavior specialist, Angie Plinska
- Angie Plinska was here March 2nd as grade-level teams looked at their B.E.S.T. data and discussed interventions to be tried in each classroom.

Communication and Community Engagement Pillar

Monthly Newsletter – Linked to this report

Parent Teacher Conferences

Parent Teacher Conferences – Our spring parent/teacher conference attendance percentage was 84%. Looking at past parent/teacher conference attendance our attendance rate dips a bit for the spring conference and 84% is comparable to past years.

As mentioned before SeeSaw has become an important communication tool at the elementary level. We have posted 44, 491 times this school and have 55,725 Visits by Family Members so far this school year.

Workforce Pillar

Building Leadership Team: At our Building Leadership meeting on March 14th we continued to discuss the benefits of a master schedule at the elementary level. Our goal is to have a master schedule for the elementary completed prior to staff leaving for summer break.
