News from Mrs. Jones

Happy Fall-

This is my favorite time of year. I love everything pumpkin, and the fall colors of our area are breathtaking. October was such a fun month of learning and exploring for our students. Pumpkin week was a success, packed full of science and art. November holds our virtual book fair and our Believe Fundraiser. A few grade levels are going to try out virtual science field trips, while other classes are going to participate on the last day of November in a virtual Star Party (planetarium tour). Please take a moment this month to explore with your student(s) the outdoors. Great discussion points are the changing leaves, cooler temperatures, and hibernation practices of local wildlife.

Sincerely, Jenny Jones
Principal
