

Child Nutrition and Purchasing

Description:

The goal of the Cooperative is to obtain substantial savings on specific food service items for member districts through volume purchasing. The highest quality products for the best possible prices will be sought. The district should benefit through cost savings, meeting federal and state procurement regulations, and receiving items meeting federal Child Nutrition Program requirements. Participating Education Service Centers will organize and administer The West Texas Food Service Cooperative (Cooperative) with Region 17 Education Service Center acting as the fiscal agent (Coordinating Center).

This agreement is entered into pursuant to the authority granted by Title 7 (Agriculture) of the Code of Federal Regulations, Chapter 791 of the Texas Government Code, and Chapter 8 of the Texas Education Code.

EDGAR COMPLIANCE

CONTRACTS INVOLVING FEDERAL FUNDS: Region 17 ESC may be unable to determine which of its agreements/contracts will be used by cooperative members using federal funds at the time of the procurement process. Therefore, Region 17 ESC intends to competitively procure each contract awarded by Region 17 ESC under Section 44.031 of the Texas Education Code and intends to comply with EDGAR and USDA regulations for every procurement action. To comply with EDGAR, Region 17 ESC will make an independent estimate of the value of goods or services in the current market before receiving bids or proposals. After Region 17 ESC receives bids and proposals, but before awarding a contract, Region 17 ESC will also conduct a price or cost analysis and document its findings. For contracts at or above \$50,000 cooperative members must verify that Region 17 ESC fulfilled its requirement to conduct a cost or price analysis in order to benefit from the ability to purchase goods and services from its purchasing cooperatives directly without the need for additional procurement activities or documentation. Region 17 ESC will provide its *Independent Estimate Determination Form* and *Determination of Cost or Price Reasonableness Form* to a cooperative member upon request, but Region 17 ESC recommends that when circumstances necessitate separate evaluation of lump-sum pricing, cooperative members also conduct an independent evaluation of cost or price reasonableness tailored to the cooperative member's specific purchases so that the cooperative member can independently determine the reasonableness of the cost/price of the particular purchase. Stated differently, if the cooperative member's verification of Region 17 ESC's compliance with EDGAR reveals that the lump-sum price includes goods or services for which Region 17 ESC could not have performed a cost or price analysis, the cooperative member should conduct an independent cost or price analysis.

I. Term of Contract

The term of this contract shall be from the date of acceptance by authorized District personnel through July 31, 2026. The participating party(ies) may with mutual agreement among all other participating parties, rescind the Commercial Purchasing and/or Full-Service component of this contract with a thirty (30) day written notice. If participating in the Commodity Processing component of this contract, the participating party is required to fulfill the contractual obligation until all processed commodity commitments are received. For general termination information, see Section VII.

A signed agreement or at least a verbal commitment from district must be received by the WTFSC by February 15, 2025 for district to participate in commodity processing for contract year.

II. General Provisions

In accordance with United States Department of Agriculture (USDA) regulation and Texas Department of Agriculture (TDA) guidance in the Administrator's Reference Manual Section 17c, the Cooperative is a Child Nutrition Program (CNP) Operator-Only Cooperative that is categorized as a "for profit cooperative". Consequently, at the end of the contract year, the Cooperative must return all profit in excess of the profit margin as described in the contract to the participating Cooperative's members, i.e., Contracting Entities. The Cooperative's "profit margin", for purposes of this Agreement, shall be the revenue received by the Cooperative through the charging of the vendor fee set forth in "Fee" section below minus the expenses to the Coordinating Center to operate the Cooperative. The Coordinating Center shall retain the profit margin; however, revenue received in excess of the profit margin ("unanticipated profit"), if any, shall be distributed to the Cooperative's members.

III. Fee

No fee shall be charged to members of the Cooperative.

The USDA does not allow federal funds received by ESC Child Nutrition components to be used to support purchasing cooperatives. Therefore, the Cooperative is a totally self-funded entity. To provide this revenue, a fee of .85% of each district Commercial Purchase is charged to the vendor through a Vendor Participation Fee. Through the Commodity Processing bids, a per-truckload fee of \$500.00 is charged to the processor as an Administrative Processing Fee. All fees are used to cover expenses related to the administration and direct operation of the Cooperative. Districts, even though they may incur these fees indirectly, pay no direct fee to the Cooperative for participation.

IV. ESC 17 (Coordinating Center) will be responsible for the following:

- Provide for the organizational and administrative structure of the cooperative.
