RE: FOIA Request Received 3/2/2023

Requested the following records: “I am submitting a FOIA request regarding any and all correspondence, as well as financial cost, of the installation of menstrual product dispensers within boys bathrooms inside our district school bathrooms/locker rooms. (This would also include the cost of purchasing the products of tampons and pads within the dispensers)

It is my understanding that this was mandated from the county after the passing of IL HB 0156.

I would like any and all correspondence (email or letters) to and from our district in regards to the implementation of this mandate.

I would also like all financial statements or bills that were incurred as a result of installing the menstruation product dispensers.

I believe this would date back to May of 2021. This can be sent in electronic form.”

This FOIA request was received 3/2/23, and responded to on 3/9/23. It took 2 District employees a total of 160 minutes (\$129.18) to respond to this FOIA request.

Total attorney time equaled 0 hours (\$0).
