

Executive Summary

Prepared for Board of Trustees Meeting
September 8, 2009

Workshop on H1N1

Board Goal:

Climate...In pursuit of excellence the district will:

Promote and nourish a safe learning environment which is supportive, cooperative, and ensures open communication

Parent and Community Involvement... In pursuit of excellence the district will:

Provide support services and promote health, wellness and safety for students and families

Purpose of Report

This report will provide the Board with background information about H1N1, provide an update on our current status, and provide a basis for determining how best to serve out students and staff with regards to vaccinations.

Objectives To provide data that will allow the Board of Trustees to:

- **hear basic H1N1 information that is up to date and accurate and reflective of our status in Denton ISD, and**
- **be able to make an informed decision regarding school-located clinics in the best interest of our students and employees**

Operational Impact

Impact on the district will be based on the decisions made by the Board Financial, Personnel, Operational Planning, Transportation

Results.

Discuss the benefits and concerns surrounding school-located clinics, determine best outcome.
