

2025 Legislative Session Non-Substantive Policy Updates as of June 16, 2025

Technical Updates

The updates to the model policies in the chart below do not represent changes in policy. Rather, the updates are purely technical (corrections to citations). MSBA recommends that school boards permit staff to make these updates. Formal board action would not be necessary under Model Policy 208 to make these changes, though school boards have the authority to require formal board action if they choose.
