OMSI INTRODUCES 7TH
GRADERS TO ROCKET SCIENCE

– READY FOR LAUNCH

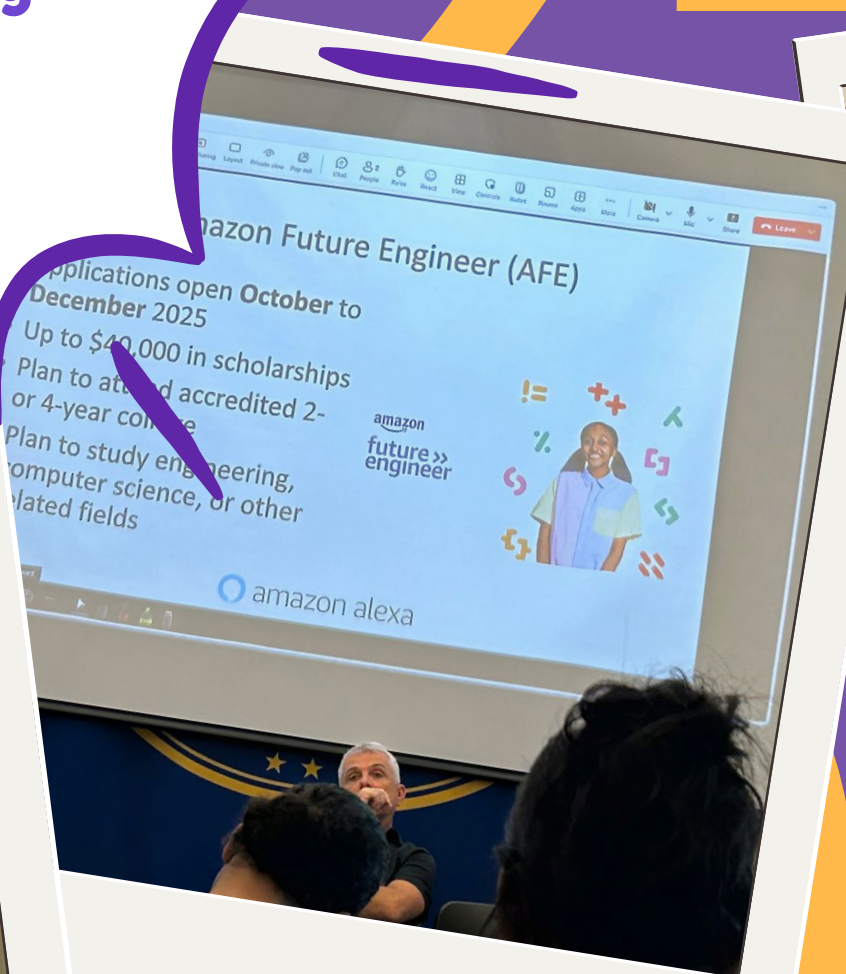

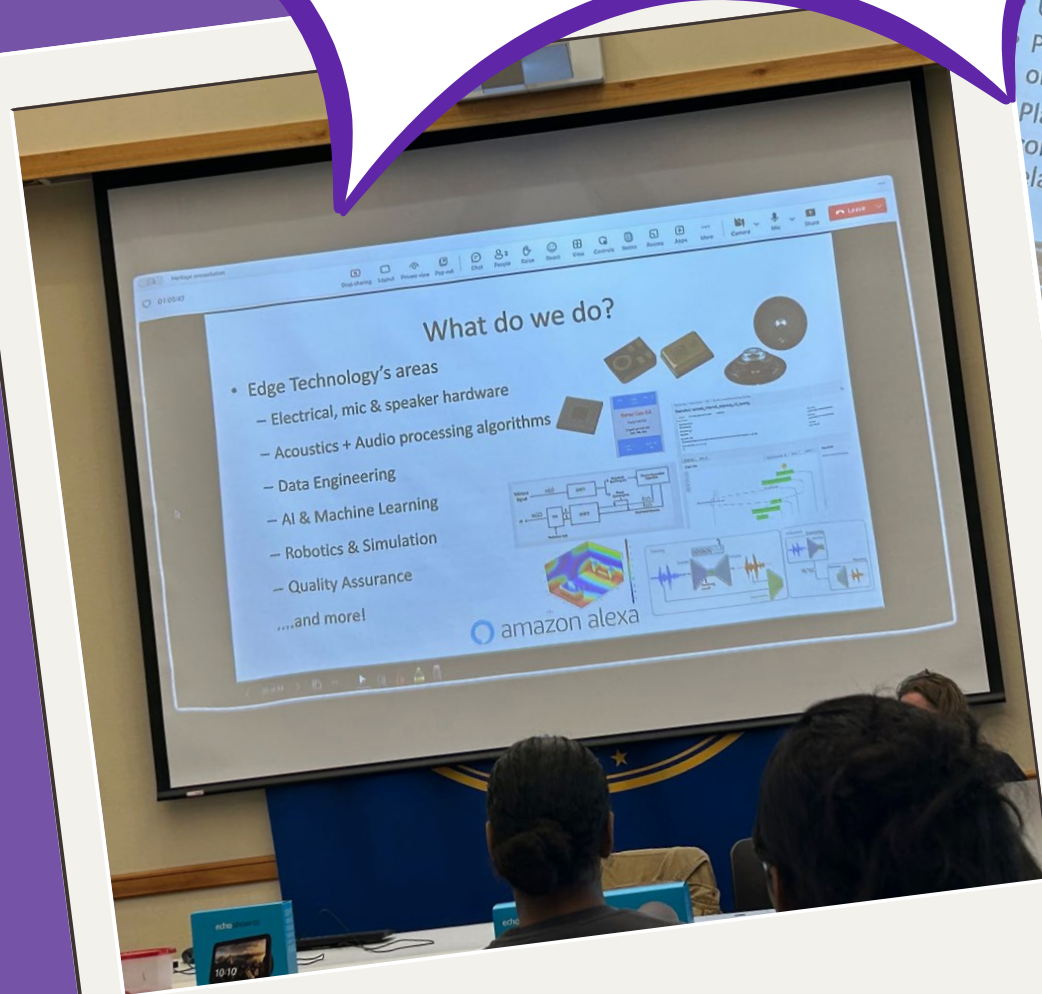

AWSL LEADERSHIP WORKSHOP

When 9th graders met the team behind the Amazon Echo, they discovered that great careers don't always follow a straight path.

SUCCESS DOESN'T TRAVEL IN A STRAIGHT LINE!

GEAR UP *brings* SCIENCE TO LIFE

Squid Squad:
8th Graders Dive into Hands-
On Learning with OMSI

“It’s cool how the male squid’s heart dissolves the older it gets!”

— Autumn Dudley, 8th Grader

**"It's really gross how squids have
beaks inside their body!"**

— Ali Smith, 8th Grader

**“You can tell if it’s a male or
female in multiple ways.
That’s pretty weird!”**

—Tyler Krause, 8th grader

**"I didn't know their
ink sacks were in
their heads!"**
—Olivia Gonzalez

“Their eyes were soft and squishy!”
—Michael Hussy
