1) Lincolnwood Parks and Recreation's Summer Program will be using:

- The footprint of spaces that CCDC used last year
- The spaces that were allocated to Parks and Rec last summer
- The Gym and Auditorium in the PM only

Specifically, this translates to:

2) Todd Hall Bench Replacements

There are 3 benches outside of Todd Hall that are in need of replacement.

The cost would be \$889 per bench for a total of \$2,667.

The BROWN or CEDAR color options most closely resemble the existing.
