ATTENDANCE %	X	92.9%	93.7%	93.4%

INNOVATIONS:

1. A committee of teachers and administration is working to build a new master schedule that will offer campus wide opportunities to the entire campus. We are working to ensure access to technology lab, SMmART Tank, Library, PE, Movement (recess), and the science lab.
 - a. In addition to the master schedule we are creating a schedule for full day pre-k
2. Pre-K Staff will begin working on creating new grading reports for the 2016 - 2017 school year. New Pre-K Guidelines have been released and will require updates to our current report card.

CAMPUS NEWS:

1. We celebrated National Reading Month with the 11th Annual Reading Safari! We opened our doors to over 400 volunteers that read to students in thematic settings! Thank you Dori Cawley and David McClendon for joining us!

2. We have completed and submitted the High Quality Pre-K Grant. If we are awarded funding we have the following goals to accomplish with the funding
 - a. Hire a parent engagement liaison
 - b. Hire an interventionist for Pre-K that works with all students to target fine motor skills, language development, and meeting sensory needs.
 - c. Increase the curriculum resources for math and science

STUDENT HONORS:

1. We have invited parents to have “HERO” lunch with students that have been given our monthly character education awards. We provide these awards in a ceremony at lunch in front of peers.

FIELD TRIPS:

1. Pre-K to visit a local farm in April

2. Kindergarten will travel to the Abilene Zoo May 5th.

PROFESSIONAL DEVELOPMENT:

- **4 Campus representatives will travel to Region 9 April 13 to hear Dan St. Romain on positive behavior in the early grade levels.**
- **Mrs. Budarf visited Ft. Worth ISD to see full day pre-k and PAT at a pre-k / k campus. Ft. Worth ISD has done full day pre-k for many years and the site visit was very informative and a great partnership to build.**

TEACHER/STAFF SPOTLIGHT:

- **The staff has hosted 2 parent involvement opportunities for the spring semester. Both of these events were very well received by parents, staff, and students. We met our goal of providing parents and opportunity to participate in activities at our school and to involve them in an activity that would build relationships.**

- **Recharge Recess with Dads**

- **Spring into the Habitat with Moms**

UPCOMING EVENTS:

- Kindergarten Field Trip Day - May 5th
- Splash Day - Maybe May 18th
- Field Day - May 18th
- Pre-K Movie Day - May 18th
- Pre- K EOY Awards Day - May 13th
