Re: TASB Update 113

TASB Update 113 focuses on updating legal policies affected by changes in administrative rules and commissioner of education rulings. Several local policies have been updated as well to better align with these changes and for organization and restructuring purposes.

These documents have been:

- Suggested by TASB
- Reviewed for legal compliance
- Reviewed and approved by each department that would be impacted by any change

RECOMMENDATION: Board approval of the TASB Update 113 local revisions to policy is recommended.
