## Gardner Elementary Board Report, October 2025

### Team Member of the Month

Alicia Longust is described as someone who goes out of her way to ensure ELA is fully planned. She shares her ideas, creations, and words of wisdom with the entire team. She recently helped facilitate a compromise with math and data use. She spends countless hours on the weekends preparing for future lessons. She is always willing to help with any question or concern.

### Recent Events

- The end of September brought us the opportunity to offer benchmarking to students to test their growth. Thank you for offering us a half day in October to work on planning intervention and enrichment time.
- Thank you to Ava Scherle who led a team of WHS Agriculture students who visited Gardner for a diary lesson with fourth grade and fifth grade classes. Our students enjoyed making butter.
- Mrs. Shufelt and SHOW Senators planned a service event on October 7 where families visited to make almost 70 blankets for the Linus Project. We had a great time.
- Fifth grade choir students offered their first concert of the year on October 8.
- Our Bobo's fundraisers reached almost \$20,000 in sales. Thank you to everyone who supported this effort. Our profits will be added to our student activity fund.
- On Friday, October 10, we accomplished our drill with the fire department without complications.

### Looking Forward

- October 27. WHS athletes visit for morning recess
- October 30-31. Parent/Teacher Conferences
