Re: 2025-2026 Regenerate School Based Mental Health Contracted Service Agreement

United Township High School District #30 has contracted school based mental health services with Regenerate Counseling for the past four years. The proposed contract continues the level of services offered this past year at a cost of \$6,000 per month. This is a \$1,000 increase from last year and will be paid for out of our Schoolwide Title Funds. It is our recommendation to continue services with Regenerate Counseling for the 2025-2026 school year and as part of the consent calendar, we will be asking the Board of Education to approve the 2025-2026 Regenerate Counseling contracted services agreement. The formal contract is attached for a detailed review of services provided to our students.
