The district may excuse students from a state-required program or learning activity, ~~where necessary, to accommodate students' disabilities, religious beliefs or other~~ for reasons deemed appropriate by the ~~superintendent or designee~~ district. Requests for excusal or accommodation must be in writing and must include the reasons for the request and a proposed alternative for an individualized learning activity which substitutes for the period of time exempt from the program and meets the goals of the learning activity or course being exempt. The district will determine if credit will be granted for any alternative activity.
