PBIS (6 schools and pre-k)

Denfeld Homegrown SEL

Some Recommendations

Recommendations

Create a stronger tie to Community

Establish Minimum Expectations and Resources for each school

Create and Finalize MTSS district guidance and umbrella framework with individual sites aligning and altering this framework to match support at ind. sites

See 2nd Step through - provide resources, guidance, and support

Continue to switch to the proactive vs reactive

Offer and provide PBIS, trauma informed, and restorative practices professional development
