RECITALS

Each participating authority listed above plans to hold a Special Election on November 5, 2013.

Denton County plans to hold county-wide voting for a Constitutional Amendment Election.

The County owns an electronic voting system, the Hart InterCivic eSlate/eScan Voting System (Version 6.2.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The contracting political subdivisions desire to use the County's electronic voting system, to compensate the County for such use, and to share in certain other expenses connected with joint elections, in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended.

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED as follows:

I. ADMINISTRATION

The parties agree to hold a "Joint Election" with Denton County and each other in accordance with Chapter 271 of the Texas Election Code and this agreement. The Denton County Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this agreement. Each participating authority agrees to pay the Denton County Elections Administrator for equipment, supplies, services, and administrative costs as provided in this agreement. The Denton County Elections Administrator shall serve as the administrator for the Joint Election; however, each participating authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each participating authority as necessary.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes, on terms and conditions generally similar to those set forth in this contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this contract.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those polling places where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

II. LEGAL DOCUMENTS

Each participating authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the participating authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting equipment testing notices that are required by the Texas Election Code. Election orders should include language that would not necessitate amending the order if any of the Early Voting and/or Election Day polling places change.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each participating authority, including translation to languages other than English. Each participating authority shall provide a copy of their respective election orders and notices to the Denton County Elections Administrator.

III. VOTING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by the county, and shall be compliant with the accessibility requirements established by Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed voting locations are listed in Attachment A of this agreement. In the event a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location with the approval of the affected participating authorities. The Elections Administrator shall notify the participating authorities of any changes from the locations listed in Attachment A.

If polling places for the November 5, 2013 joint election are different from the polling place(s) used by a participating authority in its most recent election, the authority agrees to post a notice no later than November 5, 2013 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the political subdivision's polling place names and addresses in effect for the November 5, 2013 election. This notice shall be written in both the English and Spanish languages.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

Denton County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location. The Elections Administrator shall make emergency appointments of election officials if necessary.

Upon request by the Elections Administrator, each participating authority agrees to assist in recruiting polling place officials who are bilingual (fluent in both English and Spanish). In compliance with the Federal Voting Rights Act of 1965, as amended, each polling place containing more than 5% Hispanic population as determined by the 2010 Census shall have one or more election officials who are fluent in both the English and Spanish languages. If a presiding judge is not bilingual, and is unable to appoint a bilingual clerk, the Elections Administrator may recommend a bilingual worker for the polling place. If the Elections Administrator is unable to recommend or recruit a bilingual worker, the participating authority or authorities served by that polling place shall be responsible for recruiting a bilingual worker for translation services at that polling place.

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to insure that all election judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding election judges to pick up their election

supplies. Each presiding election judge will be sent a letter from the Elections Administrator notifying him of his appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Denton County pursuant to Texas Election Code Section 32.091. The election judge, or his designee, will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

The compensation rates established by Denton County are:

Early Voting – Lead Clerk (\$10 an hour), Clerk (\$9 an hour)

Election Day – Presiding Judge (\$11 an hour), Alternate Judge (\$10 an hour), Clerk (\$9 an hour)

Election judges and clerks who attend voting equipment training and/or procedures training shall be compensated at the rate of \$7 an hour.

The Elections Administrator may employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part-time personnel working in support of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the hourly rate set by Denton County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, the County's electronic voting system and equipment, official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. The Elections Administrator shall ensure availability of tables and chairs at each polling place and shall procure rented tables and chairs for those polling places that do not have tables and/or chairs. The Elections Administrator shall be responsible for conducting all required testing of the electronic equipment, as required by Chapters 127 and 129 of the Texas Election Code.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each participating authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. Each participating authority shall be responsible for proofing and approving the audio recording of the ballot insofar as it pertains to that authority's candidates and/or propositions.

The joint election ballots that contain ballot content for more than one joint participant because of overlapping territory shall be arranged with the appropriate school district ballot content appearing on the ballot first, followed by the appropriate city ballot content, followed by the appropriate water district ballot content, followed by the county's general election.

Early Voting by Personal Appearance shall be conducted exclusively on Denton County's eSlate electronic voting system. On Election Day, voters shall have a choice between voting on the eSlate electronic voting system or by a paper

ballot that is scanned at the polling place using Denton County's eScan voting system, unless the size of the ballot forces it to two pages, then they will only have use of the eSlate electronic voting system. Provisional ballots cast on election day will be cast only on the eSlate electronic voting system to prevent the possibility of paper provisional ballots from being immediately counted via the eScan ballot scanner.

The number of paper ballots printed for Election Day voting shall be, at a minimum, equal to the same Election Day turnout as in the last comparable election plus 25 percent of that number, with the final number of ballots ordered per polling place or precinct adjusted upward to end in a number divisible by 50.

The Elections Administrator shall be responsible for the preparation, testing, and delivery of the voting equipment for the election as required by the Election Code.

The Elections Administrator shall conduct criminal background checks on the relevant employees upon hiring as required by Election Code 129.051(g).

VI. EARLY VOTING

The participating authorities agree to conduct joint early voting and to appoint the Election Administrator as the Early Voting Clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Each participating authority agrees to appoint the Elections Administrator's permanent county employees as deputy early voting clerks. The participating authorities further agree that the Elections Administrator may appoint other deputy early voting clerks to assist in the conduct of early voting as necessary, and that these additional deputy early voting clerks shall be compensated at an hourly rate set by Denton County pursuant to Section 83.052 of the Texas Election Code. Deputy early voting clerks who are permanent employees of the Denton County Elections Administrator or any participating authority shall serve in that capacity without additional compensation.

Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment "B" of this document. Any qualified voter of the Joint Election may vote early by personal appearance at any one of the joint early voting locations.

Any requests for early voting ballots to be voted by mail received by the participating authorities shall be forwarded immediately by fax or courier to the Elections Administrator for processing. VII. EARLY VOTING BALLOT BOARD

Denton County shall appoint an Early Voting Ballot Board (EVBB) to process early voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Administrator, shall appoint two or more additional members to constitute the EVBB. The Elections Administrator shall determine the number of EVBB members required to efficiently process the early voting ballots.

The manager shall be responsible for releasing unofficial cumulative totals and precinct returns from the election to the joint participants, candidates, press, and general public by distribution of hard copies at the central counting station and by posting to the Denton County web site. To ensure the accuracy of reported election returns, results printed on the tapes produced by Denton County's voting equipment will not be released to the participating authorities at the remote collection sites or by phone from individual polling locations.

The Elections Administrator will prepare the unofficial canvass reports that are necessary for compliance with Election Code Section 67.004 , after all precincts have been counted and will deliver a copy of the unofficial canvass to each participating authority as soon as possible after all returns have been tabulated, via the website. Each participating authority shall be responsible for the official canvass of its respective election(s), and shall notify the Elections Administrator, or his designee, of the date of the canvass, no later than three days after Election Day.

The Elections Administrator shall administer only the Denton County portion of the elections held by the participating authorities.

X. RUNOFF ELECTIONS

Each participating authority shall have the option of extending the terms of this agreement through its runoff election, if applicable. In the event of such runoff election, the terms of this agreement shall automatically extend unless the participating authority notifies the Elections Administrator in writing within 3 business days of the original election.

Each participating authority shall reserve the right to reduce the number of early voting locations and/or Election Day voting locations in a runoff election. If necessary, any voting changes made by a participating authority between the original election and the runoff election shall be submitted by the authority making the change to the United States Department of Justice for the preclearance required by the Federal Voting Rights Act of 1965, as amended.

Each participating authority agrees to order any runoff election(s) at its meeting for canvassing the votes from the November 5, 2013 election and to conduct its drawing for ballot positions at or immediately following such meeting in order to expedite preparations for its runoff election.

Each participating authority eligible to hold runoff elections agrees that the date of the runoff election, if necessary, shall be Tuesday, December 10, 2013, with early voting being held in accordance with the Election Code.

XI. ELECTION EXPENSES AND ALLOCATION OF COSTS
