---

**BACKGROUND:** Bristol Public Schools received a grant from the CT State Department of Education for the Primary Mental Health grant in the amount of \$17,473 for the period 7/1/2025-6/30/2026. Acceptance of this grant will in no way obligate the school district beyond the funding period.

Funds will be used to support staffing and resources at our three Family Resource Centers: West Bristol School, Greene-Hills School, and South Side School. This will allow us to better service at-risk children with the availability of an early intervention mental health program for the detection and prevention of emotional, behavioral, and learning problems.

**COST:**           \$17,473           **FUNDING SOURCE:**                           B400S064 G1226
