

Board of Education

ACTION

TITLE: Interactions Between District and Contractor Regarding
Peak Innovation Center

DATE: July 13, 2022

RESPONSIBLE: Dee Blackwell, Board President

BACKGROUND/CONSIDERATIONS:

Given the intersection of the recent flood at the Peak Center and the election of the Peak Center contractor's principal to the Board of Education, the Board will discuss the appropriate way to manage communications between the contractor and the District.

RECOMMENDATION:

Based on advice from counsel, the administration recommends that the Board may take action if warranted.

If the Board agrees, the motion would read: **move to approve that the Board may take action if warranted.**
