1

What's a Wiki?		Molly Morris
Tuesday, June 7, 2011	9:00-4:00	GHS Room 112

Wiki is a Hawaiian word for "fast." Educators can set up free Wiki webpages to quickly and easily share documents with students, display student work, initiate online discussions, and share YouTube videos and music.

2

Tired of Powerpoint—Try Keynote!		Audra Barrett
Wednesday, June 8, 2011	9:00-4:00	GHS Room 114

We will be using Keynote and iMovie to create a video presentation. We will spend the morning creating a Keynote presentation that will be useful for you in your classroom. In the afternoon will will turn the keynote presentation into a video presentation/tutorial for your intended audience.

3

iMovie Basics		Michelle Lowrey
Thursday, June 9, 2011	9:00-4:00	GHS Room 406

Topics include: Magic Ink, Containers, Restrictors, Interactive Websites, Sound and Screen Recording. Plenty of learning time will also be incorporated into this workshop.

4

Do you Edmodo? Would you like to?		Amanda Townley
Monday, July 25, 2011	9:00-4:00	GHS Room 303

Topics to be covered include--setting up an edmodo account, inviting students, joining other groups, making sub groups, turning in assignments, grading assignments, and communication with the students.

5

Skyward and Beyond		Amanda Townley
Tuesday, July 26, 2011	9:00-4:00	GHS Room 303

Learning how to implement online assignments, cloning assignments, communicating with students and using family access efficiently. Bring classroom material to make assignments, notes that need to sent home, etc., to work on.

6

Can iMake an iMovie—Oh yes you can!		Jennifer Wootton
Wednesday, July 27, 2011	9:00-4:00	GHS CTE Building Room 400

An overview of the elements of iMovie and ideas of how to use them in the classroom. Will see student examples and create a first day iMovie of your own.

7

Promethean--I have my board so now what?		Amanda Townley
Thursday, July 28, 2011	9:00-4:00	

We will be covering many topics that range from beginner to intermediate dealing with the Promethean Board. We will work on combining Cscope and the Promethean Board. We will be making containers, learning how to import videos and sound into a flipchart, learning to hide objects, and much, much more. Bring lesson plans that you can turn into a flipchart during the session.

8

Promethean ActivEducator Conf.		Hosted by Prosper ISD
Friday, July 29, 2011	8:30-3:30	

This one day Promethean conference will provide opportunities for teachers of all grade levels, administrators, and directors to be inspired and connect with other ActivClassroom teachers for engaging and innovative ideas.

9

Promethean Training – Beginning		Cathy Bohn
Tuesday, August 9, 2011	9:00-4:00	GHS CTE Building Room 401

Introduction to your board, software and Promethean Planet. Emphasis will be given on familiarization with the software and how to create/modify flipcharts.
