

2009 – 2010 VAISD BOARD OF TRUSTEES COMPREHENSIVE GOALS

GOAL #1 -Student Performance	Van Alstyne ISD will demonstrate exceptional academic achievement as evidenced by continuous improvement on AEIS indicators and state Accountability reports. The District will emphasize academic preparation for our student's life goals to include preparation for college and/or career.
GOAL #2 -Personnel	Van Alstyne ISD will attract, employ, retain, and develop highly qualified personnel in all positions by creating a desirable working environment, providing competitive compensation, and rewarding excellence.
GOAL #3 –Instructional and Extra-curricular Programs	Van Alstyne ISD will provide a wide range of instructional and extracurricular programs for our students. The District will provide a rigorous curriculum and utilize the latest technology to ensure our students are able to function in the 21 st century world.
GOAL #4 –Facilities	Van Alstyne ISD will provide safe, clean, and efficient facilities for students and staff. The District believes the quality of our facilities is vital to attracting new families to our District.
GOAL #5 –Financial	Van Alstyne ISD will be good stewards of the taxpayers' money while providing our students and staff with appropriate resources to accomplish the District's vision.
GOAL #6 – Community/Parent Involvement	Van Alstyne ISD will involve parents and community members as full partners in the education of their children.
