Updates as of February 21, 2025:

Technical Updates

The updates to the model policies in the chart below do not represent changes in policy. Rather, the updates are purely technical (corrections to citations). MSBA recommends that school boards permit staff to make these updates. Formal board action would not be necessary under Model Policy 208 to make these changes, though school boards have the authority to require formal board action if they so choose.

Model Policy Number	Update
516	Corrects formatting
621	Update statutory reference
906	Rearranges Arts. II and III

Substantive Updates

The recommended policy changes described below involve substantive changes to the model policies.

Model Policy Number	Update
413	Updates definition of "disability" to reflect amended Minnesota law
425	Clarifies whether the board or school administration appoints staff development committee members

These materials are for informational use only and are not to be construed as legal advice. If legal advice is needed, the school district's legal counsel should be contacted. While current at the time it was created, this document may be later superseded by legislative or other action.

512	Removes language potentially at odds with Minnesota Statutes 121A.80 (Student Journalism; Student Expression)
704	Updates GASB guidance on asset capitalization

413: The definition of “disability” in Minnesota Statutes 363A.03 has been updated. This is a legal change that a school board could choose to adopt in a single meeting under Model Policy 208.

425: Minnesota law requires that school boards “establish” a Staff Development Committee. The law does not explicitly state who appoints the committee members. School boards can clarify who appoints the committee members by choosing to adopt or not adopt the revision.

512: By adopting the proposed deletion in this policy, school boards can reduce potential confusion when implementing the student journalism law enacted in 2024.

704: School districts requested that MSBA revise this policy to align with Governmental Accounting Standards Board (GASB) guidance.

Upcoming Policy Updates

MSBA is in the process of updating the following policies. We anticipate that these policy updates should be available soon.

Model Policy Number	Update
530	Update on immunization records
