Remuneration and Reimbursement

Board of Education members receive no compensation for their services on the Board, but may, upon submitting vouchers and support bills, be reimbursed for expenses incurred in attending conferences of school Board associations and other professional meetings/visitations when such attendance and expense payment has had prior Board approval.

In such case where the timing of an event does not allow for prior approval by the Board of Education, the member shall submit attendance and expense reports for Board approval at the next scheduled meeting.
