A. Culture and Climate Board Update

**Description:** Strategy B of the Edina Public Schools Strategic Plan states that Edina Public Schools will ensure an equitable and inclusive school culture. A culture that welcomes, respects, supports, and values students and staff. In order to monitor the current state of our school culture and climate, we administered two surveys to staff and one to students this spring. The Panorama Climate and Wellness survey provided feedback on the Teaching and Learning Climate in our schools and was administered to students and licensed staff. The Employee Engagement survey provided information regarding the degree to which all staff are engaged and satisfied in their work as an employee of Edina Public Schools. The body of the report includes background information on the surveys, participation rates, data summaries, analysis and some next steps.

**Presenter(s):** Dr. Randy Smasal, Assistant Superintendent; Leigh Ann Feily, Multi-Tiered Systems of Support (MTSS) Coordinator; and Sonya Sailer, Director of Human Resources

B. Secondary ELA Course and Resource Recommendations

**Description:** The Edina Comprehensive Literacy Plan K-12 has been developed in response to the Edina Public Schools 2020-2027 Strategic Plan's call to review, develop, and implement a continuous improvement plan for literacy, readiness, and rigor for all. The 6-12 Comprehensive Literacy Plan defines the unified commitments for secondary ELA programming in Edina Public Schools. In addition, it outlines the high level view of the structures and processes for decision making and implementation. The secondary ELA course and resource recommendation processes will use the 6-12 CLP as a guide. The processes for secondary ELA course and resource recommendations will also use the guiding change documents and timelines outlined in the following report as critical guides in the process.
