

SUPERINTENDENT'S REPORT

LISLE 202

COMMUNITY UNIT SCHOOL DISTRICT

January 2026

Lisle Elementary School

Great Kindness Challenge

We were excited for our annual Great Kindness Challenge at LES. Our students are participating in the Great Kindness Challenge during the week of January 26th and are encouraged to practice acts of kindness both in and outside of school, and participate in spirit days.

Our Student Council joined the challenge by hosting the Sharing is Caring Collection, which includes collecting warm winter items to benefit the Sharing Connection such as new socks, coats, gloves, mittens, hats, and scarves.

LRC Pop-up

Lisle Elementary School hosted a Royal Library Event inspired by the Monarch Award nominated book *Knight Owl*. Students in grades K to 2 participated on Wednesday, January 21, and grades 3 to 5 on Thursday, January 22, enjoying a magical library experience with a story, themed activities, and plenty of royal fun. Students dressed in royal colors as they “castle-brated” reading and built excitement for Monarch vote day.

Lisle Junior High School

New Book Club

Lisle Junior High School launched a new Lunchtime Book Club for 7th and 8th grade girls centered on *The Confidence Code for Girls*. Led by Librarian Mrs. Broadus, the club invites students to explore confidence, risk taking, and personal growth through guided reading and discussion. Participants received a copy of the book and will meet during lunch over several weeks for meaningful conversations designed to empower and support junior high girls during a critical stage of confidence development.

First Semester Honor Roll

We are #LionProud of our students for all their hard work during first semester. We are pleased to share that 94 sixth graders, 92 seventh graders, and 75 eighth graders earned either honor roll or high honor roll recognition. Students qualify for the honor roll by earning a GPA of 3.0 through 3.49 and they qualify for high honor roll by earning a GPA of 3.5 through 4.0.

Lisle High School

Illinois State Scholars

Congratulations to the seniors who have been recognized and selected by the Illinois Student Assistance Commission as Illinois State Scholars! The Illinois State Scholar Program identifies those high school seniors who possess superior academic potential. Students are named State Scholars on the basis of their ACT or SAT scores and GPA or class rank at the end of their junior year. Each student named a State Scholar receives a Certificate of Merit from the Illinois Student Assistance Commission. Besides receiving statewide recognition from the various news media in the state, the names of the State Scholars are given by the Commission to the colleges and universities in Illinois. The distinct honor of being named a State Scholar is further highlighted by the fact that many colleges and universities actively seek the State Scholar for admission. Please join me in congratulating the following seniors:

**Caden A, Rashid A, Megan B, Chloe C, Hunter C, Haley D, Michael F,
Reagan G, Charles G, Sophia H, Colin K, Shoaib K, Lucinda K, Leah K, Anya
K, Emily L, Sarah M, Kirsten M, Soren O, Kaitlyn S, Jasmine S, Hailey V,
Leah Z**

Welcoming the Class of 2030

Our annual 8th Grade Information Night was a resounding success, filled with the energy of our incoming students and their families. To provide a true "insider's view" of our campus culture, we introduced a new student-led panel this year. These student ambassadors—representing both our junior high and local private schools—shared firsthand insights on the transition to high school. Their message was clear and inspiring: to make the most of the high school experience, students should embrace academic challenges and dive into campus life from day one. It was an impactful evening that set a strong foundation for the Class of 2030.

Winter Activities and Athletics

We successfully hosted the Lisle Cage Classic Holiday Tournament for girls' basketball as well as the Melichar Wrestling Invitational. Our boys' basketball team participated in the Plano Holiday Tournament, and our bowling team began its season. Our Math, DECA, and Scholastic Bowl teams competed.

District

2026-2027 Kindergarten Registration

Kindergarten registration for the upcoming 2026-2027 school year will open on February 2nd for all incoming Kindergarten students not currently enrolled in our preschool program. We look forward to welcoming the Class of 2039!
