

# MATH Curriculum Adoption

Becker Middle School 2022-2023

# Updated Curriculum Adoption Cycle

As MDE updates their Minnesota K-12 Academic Standards Review Cycle, Becker Public Schools is adjusting our curriculum adoption cycle to better align to the dates used by MDE. This updated Curriculum Adoption Cycle is in DRAFT form and

continues to be

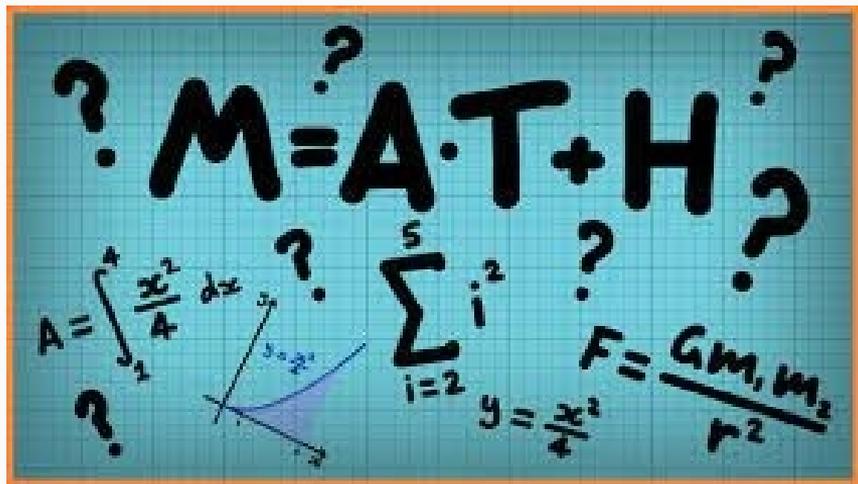

updated as

MDE makes changes

at the state level.

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10
	Review Standards & Best Practices	Review Methods & Materials - Present to DAC - Purchase June	Implementation - Reflection	Monitor & Adjust	Monitor & Adjust	Review Standards & Best Practices	Review Methods & Materials - Present to DAC - Update June	Implementation - Reflection	Monitor & Adjust	Monitor & Adjust
2019-2020	Science	Arts	Physical Education & Health	World Language & CTE	SEL SPED Intervention	English 9-12	Mathematics	Social Studies	Language Arts 6-8	Language Arts K-5
2020-2021	Language Arts K-5	Science	Arts - MDE implementation 2021-2022 (or 2022-2023)	Physical Education & Health	World Language & CTE	SEL SPED Intervention	English 9-12	Mathematics	Social Studies	Language Arts 6-8
2021-2022	Language Arts 6-8	Language Arts K-5	Science - MDE rollout with full implementation 2023-2024	Arts	Physical Education & Health	World Language & CTE	SEL SPED Intervention	English 9-12	Mathematics	Social Studies
2022-2023	Social Studies	Language Arts 6-8	Language Arts K-5 - MDE implementation 2024-2025	Science	Arts	Physical Education & Health	World Language & CTE	SEL SPED Intervention	English 9-12	Mathematics

- MN Comprehensive Assessment (MCA III)
- TESTED IN GRADES 6 - 7 - 8

## EdReports report on Reveal Math

Thank you!

"The only way to learn  
mathematics is to do  
mathematics."

- *Paul Halmos* -
