**Background:**

A public act for reporting compensation was introduced August 31, 2009, with the intent to address transparency within school districts. 105 ILCS 5/10-20.47 was enacted to require school districts to develop a report that provides the public with information on administrator and teacher compensation. The school district is required to present a report to the Board of Education and to place said report on the school district's website by October 1<sup>st</sup> each year. In addition, the school district will be required to post the contract that a school board enters into with an exclusive bargaining unit.

**Situation:**

Illinois School Code provisions requiring the reporting and posting of administrator and teacher salaries have gone through multiple revisions recently. For the past several years' school districts have been required to report administrator and teacher salaries and benefits to the Illinois State Board of Education (ISBE). The information on administrators and teachers includes:

| • Sick Days             | • Bonuses                 |                  |
| • Annuities             | • Retirement Enhancements |                  |

**Recommendation:**

105 ILCS 5/10-20.47 Compensation Report does not require any board action; therefore, there is no recommended action.
