## - Girls Basketball: (From Coach Chev)

Unfortunately, there have been only a few measureable highlights for the 2016-2017 Derby Girls Basketball program. Those highlights have been the current 6 victories we have; especially the close wins over Waterbury Career Academy (1 point), Ansonia (3 points in OT), Oxford (3 points), and Bullard Havens (2 points). Other highlights have been seeing each individual player improve on their skills and the team improve as a whole on their execution and understanding of the game. In conclusion, the best highlights every season are seeing the relationships that are built between players & ones between players and coaches.

- The Girl's Basketball Team made it into the state tournament again, 1st time in 7 years. On 02/27/2017 DHS Girls Basketball Team and 50 DHS students made the trip to Canton, CT for the first round.
- Anna Chevarella named to All-NVL Team 2017.
