

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13  
BOARD OF EDUCATION  
Bloomington, Illinois**

Regular Meeting      August 27, 2018

**FOR INFORMATION:**

**Subject:      Superintendent's Report**

**Forecast5 Analytics:**

This year, I will be using the analytical tools from Forecast5 Analytics to walk the Board of Education through the District's data in order to provide a new perspective on items like the budget, the levy, staffing, enrollment and other items that are germane to the Board's governance role.

In addition, there will be the opportunity to speak to Jon Gordon's book, The Power of a Positive Team, a review of the Board Policy Manual (in pieces), and some data collection and assessment from HUMANeX using their TEAMeX tool.

**Student Proficiency Results:**

This evening, Dr. Waugh will present the District 13 performance on the NWEA MAP tests that were administered in the spring. An executive summary of her presentation is attached for your review.

The proposed student achievement goal for this year is for the aggregate of all District 13 students to meet their expected growth in Reading and Mathematics within the range as provided by ECRA on the Measures of Academic Progress (MAP). The Spring 2018 to Spring 2019 period would be the implementation cycle to measure the annual growth of District 13 students.

**Septemberfest:**

On Saturday, September 8, the Board of Education will assemble outside DuJardin Elementary school prior to 11:00 a.m. in order to march in the Septemberfest Parade. The route will take us to Old Town, where you can take in the beginning of the festivities. Students from Westfield will be joining us to "distribute" Smartees to those along the parade route. I will be at the District Office early to get the banner and wagons ready.

**Summer Project Updates and Board Tour:**

On Monday, September 10, Greg Leyden will lead us on a summer project tour to see what was achieved between June and August. The tour will begin at 6:00 p.m. Another copy of the summary of the summer projects is attached for your review.
