

## Large Class Sizes at RWHS in the 2nd Semester 21-22

As of right now we have 17 class sections that are at 35 or more students that are not Study Halls, Phy Ed, Choir or Band. (This is an approximation as some student schedules are still being adjusted)

### The breakdown is as follows:

### Adding an FTE

<b>Health -</b>	2 classes at 38 and 39	4 classes avg 19.25
<b>Lang Arts -</b>	3 classes of Language Arts 9 at 35, 35 & 36 1 class of LA 8 at 42	8 classes avg 18.5
<b>Math -</b>	1 class of Geometry at 37	
<b>Science -</b>	2 classes of Physical Science at 35 and 35 1 class of Honors Physical Science at 37 1 class of Biology at 38	8 classes avg 18.12
<b>Soc. Studies -</b>	3 classes of US History at 37, 40 and 38 1 class of Economics at 36 1 class of American Govt at 35 1 class of World History at 37	10 classes avg 18.8

**My recommendation if we are thinking of reducing class sizes by adding some FTE would be as follows:**

1.0 Social Studies

1.0 Science

1.0 English/Language Arts

### **If we can afford to add a 4th FTE**

1.0 Phy Ed/Health with .6 of this FTE going towards Success Lab (Credit Recovery) or further reducing some larger Phy Ed class sizes.

Please let me know if you have any questions.

Thanks,  
George J. Nemanich  
Principal  
Red Wing High School
