

West Minico Volleyball Fundraiser

Pennies for Pies

Part 1:

West Minico Staff will volunteer to participate in raising money by allowing a student give them a pie in the face.

Each staff member that is participating will have a jar with their name on it during both lunches. Students will put money into the jar of the staff member that they want to see get a pie in the face at a school wide assembly.

The top three staff members with the most money in their jar will get a pie in the face.

This will require volleyball players from the 7th and 8th grade teams to take money during their lunch hour. Any 6th graders who would like to play volleyball will take money during the 6th grade lunch.

Part 2:

The volleyball players will also be selling raffle tickets during both lunches. There will be three tickets drawn at the assembly. The winners of this raffle will be the ones who get to “pie” one of the staff members. The raffle tickets will be sold for \$1.
