

November 2019

COUGAR NATION

News from Mr. Smith

Welcome to November!

Our year has just flown by! We finished the 1st quarter and had an awards assembly recognizing the top students of the quarter in each subject area along with students that have perfect attendance and students who have overcome obstacles to have success. It was a fantastic time to see our students rewarded for hard work and see our student body cheer each other on.

Our fall sports season has wrapped up and we are gearing up for our winter sports season. Please talk with your student about getting involved in an activity, whether it be a sport or an after school club, getting involved is very important.

We are adopting a new Sparrow for our school. The Sparrow program allows students to complete volunteer work hours and then turn in the work slips to "earn" money for the Sparrow family. We will have a Sparrow assembly on November 4th to introduce our new Sparrow. Be sure to talk with your student about this and the positive impact that they can make to help this Sparrow family.

Make sure that you come visit us for conferences. This is a fantastic time to come meet with teachers / administration. We are all here to help you and your child have success in school.

As always my door is always open so please if you need anything or any resources to help your child or your family I would love to help you.

Have a Happy November,

Tanner Smith

Hats, Sweatshirts
and T-shirts are on
sale in the office.

our COUGARS
