Re: Policy Review Session

As a result of the Policy Review Session conducted by a policy consultant from the Texas School Board Association (TASB) that was completed on January 22-23, 2015, we are replacing the Localized Policy Manual in its entirety. We are requesting the Board of Trustees to affirm changes to (LOCAL) policies resulting from these policy review. These changes include policies that are to be repealed, added, or revised. The least cumbersome way to handle this change is with a blanket repeal of policies contained in the current manual and adoption/readoption of all (LOCAL) policies as found in the revised, reprinted manual.

Recommendation: That the board adopt the (LOCAL) policies contained within the reconstructed TASB Localized Policy Manual, effective this date, and repeal all previous policies.

As a reference, we will establish an historical file that includes all (LOCAL) policies in the repealed policy manual and a copy of the official minutes of the board meeting at which adoption of the new manual occurred.
