Subject: Request for Approval – Post Prom Overnight

Dear Members of the Board of Education,

I am respectfully requesting Board approval for the annual Bridgman High School (BHS) Post Prom overnight trip to Generations AdventurePlex in Mishawaka, Indiana.

The trip is scheduled for Saturday, May 2, through Sunday, May 3. Students will travel using school transportation, with buses departing BHS at 11:45 p.m. following Prom festivities and returning to BHS at approximately 4:45 a.m.

This event is provided free of charge to BHS juniors, seniors, and their approved Prom guests. The purpose of Post Prom is to offer students a safe, supervised, and enjoyable environment following Prom while promoting responsible decision-making.

The trip will be chaperoned by members of the Post Prom Committee parent group. In addition, Mr. Heath will be present at BHS when the buses depart and when they return.

Mrs. Tonya Paveza is also present this evening as a representative of the Post Prom Committee and is available to answer any questions the Board may have.

We appreciate the Board's consideration of this request and respectfully seek approval for this overnight trip.

Sincerely,

Gerald Heath, BHS Principal
