### **School Improvement**

The PACE accreditation review with Cognia is scheduled for April of 2022. The accreditation committee is meeting regularly to address the components of the review.

The PACE inservice was moved from February to April. We are excited about this change as it allows us to attend a curriculum fair, which has been on our task list for over a year.

PACE staff continue to meet monthly to track progress towards school goals, further expand curriculum options, and develop ways to help our students and families.

### **Appreciations**

Thank you, Liz Steele, for co-leading the ALC Ice Skating event.
