Background Information:

TASB has recommended that we update local policies EIC and DEC local based on the recent changes in the Texas Legislature.

EIC Local Policy Summary - HB 3803 was passed and enacted September 1, 2023. The bill is relating to allowing parents and guardians to elect for a student to repeat or retake a course or grade. We need to review the policy and make the necessary adjustments with regards to class rank, GPA, and other related practices and deadlines. In addition, when we previously added a third Tier to our ranking, we didn't include the phase-in timeline. This has also been added.

Fiscal Implications:

None

Administrative Recommendation:

Approve the update to EIC (Local)

Motion Language:

I move that the board accept the first reading regarding the changes to local policy as presented.
