TLR/TWS	Thank you to the STAR Foundation for their support through the Beyond Crayons & Chromebooks Grant. THS staff submitted requests for items that enhance and support the academic missions of the school. Various supplies for enrichment activities were awarded along with equipment for the Business Ed department, School Store and Health Dept. Recipients are Paula Norman, Toni Tourdot, Taylor Hudzinski-Pike and Scot Neu. Thank you to STAR for their continued support of our students and staff!																
TWS/CCE	THS Student Council sponsored a food drive. Roughly 100 items were collected and donated to the Backpack Program. Thank you to Student Council and the THS student body for their donations and support of the Tomahawk Community.																
TLR	Congratulations to the THS Band and Choir for their Winter Concerts December. Students did an excellent job and received many compliments for their performances and enhancing the Holiday Season.																
TLR/TWS/DW	January 19th is a staff inservice day. THS utilizes this day to complete the Semester transition that includes grading, grade reporting, semester 2 course prep and more. There are also various small staff group collaboration meetings that occur throughout the day on a variety of topics.																
DW	THS Hatchet Pride Committee sponsored a staff wellness challenge over the holiday break. This was the second year that this committee did an activity to promote staff wellness over the winter break. Winners will be announced at the January staff meeting.																
TLR/CCE/OE	Over the past 5 years Tomahawk Technology Education Department has partnered with CASE Construction Equipment to provide meaningful experiences in the field of Heavy Equipment Operation. To promote this field, students have been provided a field trip to CASE Proving Grounds here in Tomahawk. Students are educated on CASE proving grounds services, career opportunities available at CASE and in the industry and the operating engineer profession. This experience has been beneficial for THS and has supported seven students entering the Heavy Equipment Operation profession since the start of this partnership with CASE. The CNH Foundation is a charitable foundation for CASE Construction Equipment and has award a grant opportunity for schools that provide quality STEM programming. In December, Tomahawk was awarded a \$25,000 grant to support replacing our 19 year old CNC Router. We would like to thank CASE Construction Equipment, CHN Foundation and Jeff Jablonski for their partnership and the learning opportunities that they have provided for Tomahawk Students.
