Background Information

On March 30, 2020, as allowed by Minnesota Statute 13D.021 (Meetings by Telephone or Other Electronic Means), the School Board approved a recommendation to conduct virtual meetings. The motion included all meetings so committee meetings, including negotiations sessions, have been virtual since that time.

Due to the dynamics of negotiations sessions, the recommendation is to allow in-person meetings when negotiating with certified bargaining groups. If approved, members of the public would be able to attend but there would be no recording or livestreaming of sessions. All attendees would need to follow safety protocols, including masking, social distancing, etc.

Recommendation

I move to allow in-person negotiations sessions with certified bargaining groups until further notice.
