It is finally time for the middle school fall sports season to begin. This last week Football had their first game and Volleyball had their first two games.

The 7<sup>th</sup> and 8<sup>th</sup> grade teams have a combined 42 student athletes out for this season. The 7<sup>th</sup> and 8<sup>th</sup> Volleyball teams are sitting right around 30 student athletes.

It looks to be another successful year in sports at Homedale Middle school. We look to continue in the Homedale tradition of winning and setting high standards for the future athletes and students.
