In accordance with Texas Education Code s31.1011, school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the Commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code 19 TACs66.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's(h) (5) and (C). These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA).
