AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **April 4, 2017**

TITLE: Study/Approval of Proposed Addition of Beach (Sand) Volleyball to The District's Interscholastic Sports Program

BACKGROUND:

At the February 7, 2017 Governing Board meeting, the Board discussed Beach (Sand) Volleyball as a possible addition to the District's Interscholastic Sports Program. At that meeting Director of Interscholastic Activities, Joe Paddock, provided information to the Board regarding the specifics about the sport, the requirements, and potential costs to the district.

At the March 7, 2017 Governing Board meeting Beach Volleyball was on the agenda as a Study/Action item. Ms. Grant requested that the item be on the April 4th agenda for further study. Board members requested more specific information about the cost of building courts and information on other regional districts' volleyball programs construction and operations. The high school principals, coaches and athletic departments were asked to explore ways to defray the costs of the construction of courts.

This item is presented again tonight as a Study/Action item to allow for the Board's further discussion, direction and/or action.
