5th and 6th Cycle Attendance Reports 2017-2018

Board Goals:

Vision –Develop and maintain a culture where learning remains our first priority; establish goals for individual campuses that incorporate both measurable and intangible factors; and, develop a budget focused on student and professional learning.

Teaching and Learning - Develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life; and, advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates.

Climate –Establish a high expectation level for success for all students, staff, parents, and community; instill in students a love of life-long learning; and, motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world.

Parent and Community Involvement – Foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students; and, provide support services and promote health, wellness and safety for students and families.

Growth, Change & Fiscal Responsibility – Review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community; create and continuously modify strategies to mitigate increasing stresses on our children, our schools and our community; work continuously with our community to adjust and enhance district goals as appropriate; and, demonstrate effective and efficient management of district resources.

Purpose of Report:

The purpose of this report shows the attendance percentages for each grade level for the 5th Cycle from March 20, 2018 through April 6, 2018, as well as, the 6th Cycle from April 9, 2019 through May 24, 2018, respectively. This report is intended to provide an overview of the current year with a comparison to prior year attendance.

Objectives:

- District-wide totals are based on the number of students in each grade level.
- Attendance figures are taken from PEIMS from March 20, 2018 through May 24, 2018.
