To the Board of Education

Thank you for approving the E-Rate purchases last month. We have signed a letter of intent with the vendor and are now awaiting our funding commitment decision letter. Once received, we will officially order the products.

Please approve thirty TV/VCR combo from the High School and Middle School classrooms and cafeteria as obsolete. Maintenance is in the process of removing them from the buildings now and they will be picked up by GreenWave Electronics, an electronics recycling company.

Sincerely,
Stephanie Scott
